

UNITED STATES JAYCEES 1981-82 DIRECTORY

THE JAYCEES[®], A LEADERSHIP TRAINING ORGANIZATION

UNITED STATES JAYCEES FACTS

- Name:** The United States Jaycees, formerly The United States Junior Chamber of Commerce. The name was changed in 1965 because of the misconception that the Jaycee organization was affiliated with the national Chamber of Commerce.
- Scope:** Leadership training and personal development for young men, aged 18 through 35, inclusive.
- Membership:** Roughly 7,500 local chapters with some 300,000 members in all 50 states.
- Purpose:** To offer young men the opportunity for further personal development and leadership training. Major efforts are directed at finding solutions to problems specific to their communities.
- History:** The Jaycee movement was begun in St. Louis, Missouri, by Henry Giessenbier on October 13, 1915. His idea quickly spread and the national organization was formally created by 29 chapters at the first convention in St. Louis on January 21, 1920.
- Headquarters:** The War Memorial Headquarters is located in Tulsa, Oklahoma, providing services to local chapters and state organizations through some 85 staff and employees.
- Programs:** The U.S. Jaycees offers: Individual, Family, and Spiritual Development; Governmental Affairs, Cardiopulmonary Resuscitation; Assistance to the Disadvantaged; Youth Programs; International Relations; Energy Conservation.
- National Events:** Annual Meeting (June), Congress of America's Ten Outstanding Young Men (January), America's Four Outstanding Young Farmers (February), International B.B. Gun Matches (July), and National Model Legislature (September).
- President:** Gene A. Honn, Tinley Park, Illinois.
- Jaycee White House:** Home of the U.S. Jaycees President during his term of office, which begins July 1. The fully-furnished home is situated in suburban Tulsa.

Fellow Team Members:

This year you will be setting the "records of the 80's." Your efforts will be the ones sought after for years to come. This year our organization moves forward, utilizing the Jaycee concept as our guide to a balanced success.

We are truly a leadership training organization. Work hard this year to grow as an individual and provide training to another young man. In that manner, we will all replace ourselves with competent leaders — young men that will direct our country's future. Train them well for it is our children's future we place in their hands.

This directory should serve as a reminder of our leadership commitment. As you read it, reflect on your personal goals to make this year the best ever. The names listed are the leaders of the 80's. Among them are future Presidents. I have confidence that all your goals will be reached. The only limitations are the ones you place on yourself.

"Never Stop Believing."

Yours in Teamwork

A handwritten signature in cursive script that reads "Gene A. Honn".

Gene A. Honn
62nd President
United States Jaycees

The U.S. Jaycees War Memorial Headquarters was built in 1951 at a cost of \$250,000. Capital improvements, including a \$750,000 wing completed in February, 1973, increased the building's value to approximately \$1.4 million.

The Headquarters is an administrative service center for the nation's Jaycees. More than 90 headquarters personnel work together to provide technical assistance and develop programs for almost 7,500 Jaycee chapters in 50 states and the District of Columbia.

Besides providing office space for the National President and his staff, the headquarters building also contains Graphics and Word Processing Departments, a printing plant, mail order sales operation and a computerized accounting department.
