

UNITED STATES JAYCEES 1983-84 DIRECTORY

THE JAYCEES®, A LEADERSHIP TRAINING ORGANIZATION

UNITED STATES JAYCEES FACTS

Name:	The United States Jaycees, formerly The United States Junior Chamber of Commerce. The name was changed in 1965 because of the misconception that the Jaycee organization was affiliated with the national Chamber of Commerce.
Scope:	Leadership training and personal development for young men, aged 18 through 35.
Membership:	Roughly 7,000 local chapters with some 275,000 members nationwide.
Purpose:	To offer young men the opportunity for personal development and leadership training. Major efforts are directed toward finding solutions to problems specific to their communities.
History:	The Jaycee movement was begun in St. Louis, Missouri, by Henry Giessenbier on October 13, 1915. His idea quickly spread and the national organization was formally created by 29 chapters at the first convention in St. Louis on January 21, 1920.
Headquarters:	The War Memorial Headquarters is located in Tulsa, Oklahoma, providing services to local chapters and state organizations through some 80 staff and employees.
Programs:	The U.S. Jaycees offers: Individual Development, Management Development and Community Development; Governmental Affairs; fundraising for muscular dystrophy research; youth programs and family life programs.
National Events:	Annual Meeting (June), International BB Gun Championships (July), National Model Legislature (Sept.), Healthy American Fitness Leaders Awards (Sept.), Congress of America's Ten Outstanding Young Men (Jan.) and the National Outstanding Young Farmer Awards Congress (Feb.)
President:	Tom Bussa; Ladd, Illinois.
Jaycee Founders' Home:	Home of the U.S. Jaycees President during his term of office, which began July 1. The fully-furnished home is in Tulsa.

Fellow Leaders:

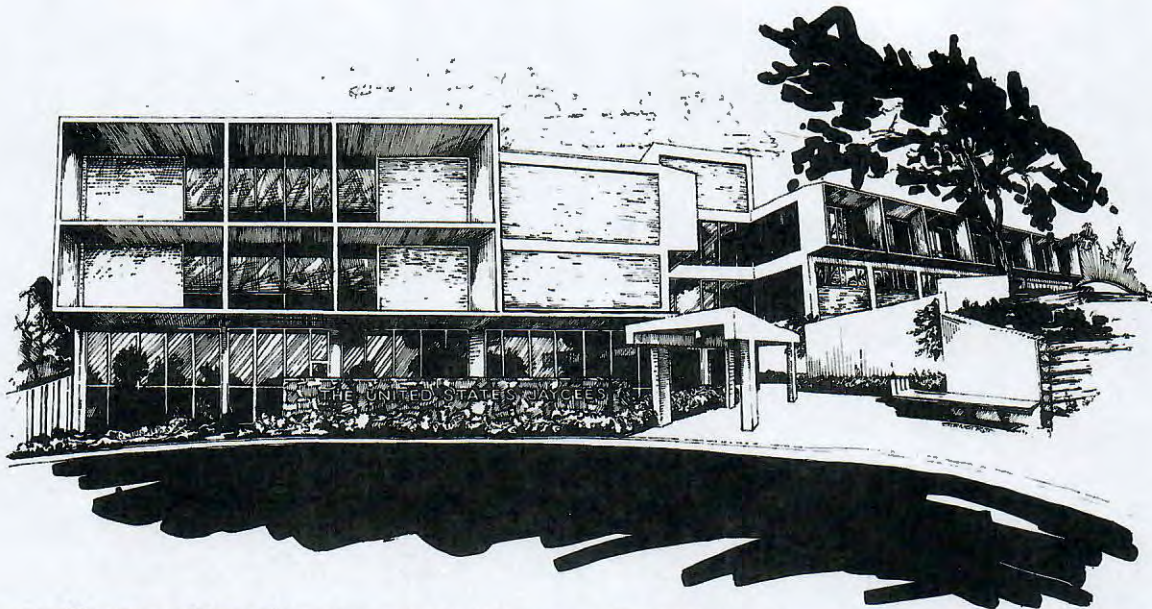

This will be a great year! Your efforts will determine our success. You must be committed to excellence. It is this commitment along with the spirit we each have that will provide our success.

We are the leadership training organization for America. We must work hard to grow in members, chapters and individually. The Jaycee concept shall be our guide, and our actions shall be our path. Our success shall determine so many's future. We must succeed; so many are counting on us.

Use this directory as a resource. Knowledge without action is apathy. Among the names listed in here are many of America's future leaders. Our goals begin our behaviors. Our actions will determine our achievements. Make it happen. Spread the Spirit of America.

Yours in the Spirit of America,

Tom Bussa
64th President
U.S. Jaycees

The **U.S. Jaycees War Memorial Headquarters** was built in 1951 at a cost of \$250,000. Capital improvements, including a \$750,000 wing completed in February, 1973, increased the building's value to approximately \$1.4 million.

The Headquarters is an administrative service center for the nation's Jaycees. More than 90 headquarters personnel work together to provide technical assistance and develop programs for almost 7,000 Jaycee chapters in 50 states.

Besides providing office space for the National President and his staff, the headquarters building also contains Graphics and Word Processing Departments, a printing plant, mail order sales operation and a computerized accounting department.
