

The United States Jaycees® 1985-86 DIRECTORY

85 JAYCEES 86

The Jaycees®, A Leadership Training Organization

UNITED STATES JAYCEE FACTS

Name:	The United States Jaycees, formerly The United States Junior Chamber of Commerce. The name was changed in 1965 because of the misconception that the Jaycee organization was affiliated with the national Chamber of Commerce.
Scope:	Leadership training and personal development for young Americans, age 18 through 35.
Membership:	Approximately 7,000 chapters with some 270,000 members nationwide.
Purpose:	To offer young Americans the opportunity for personal development and leadership training. Major efforts are directed toward finding solutions to problems specific to their communities.
History:	The Jaycee movement was begun in St. Louis, Missouri, by Henry Giessenbier on October 13, 1915. His idea quickly spread and the national organization was formally created by 29 chapters at the first convention in St. Louis on January 21, 1920.
Headquarters:	The War Memorial Headquarters is located in Tulsa, Oklahoma. It provides services to chapters and state organizations through some 80 staff and employees.
Programs:	The U.S. Jaycees offers: Individual Development, Management Development and Community Development; Governmental Affairs; fundraising for muscular dystrophy research; youth programs and family life programs.
National Events:	Annual Meeting (June), International BB Gun Match (July), Governmental Affairs Leadership Seminar (Sept.), Healthy American Fitness Leaders Awards Congress (Sept.), National Jaycee Week (Jan.), Ten Outstanding Young Americans Awards Congress (Jan.) and the National Outstanding Young Farmer Awards Congress (Feb.).
President:	Ken Zimmerman; Hamilton, Montana.
Jaycee Founders' Home:	The fully furnished home of The U.S. Jaycees president during his term of office, beginning July 1, is located at: 25 E. 22nd St., Tulsa, OK 74114.

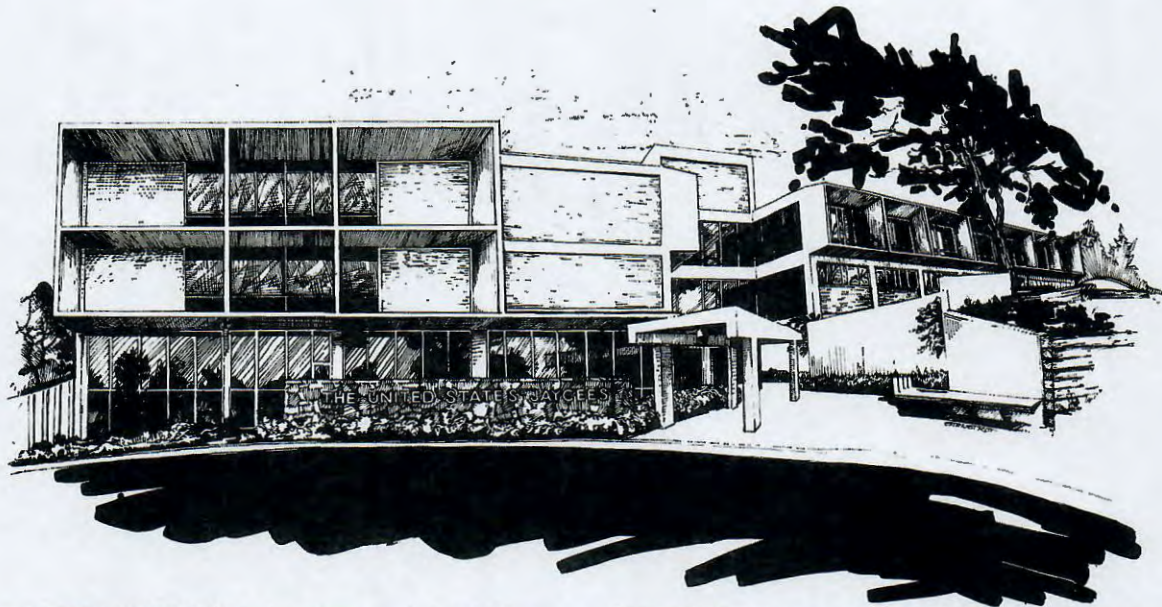

The year ahead poses challenges for all of us. In Jaycees, that challenge is always greatest because we are the trend-setters, the pioneers — the leaders.

To increase our influence in the world today, we must share the Jaycee friendship with more communities. Use this directory as your first step in reaching out. Explore your Jaycee world. Search for new horizons.

Take advantage of what lies ahead. You hold the keys to success this year, for you are the leaders of the Jaycee movement. You are helping us continue as a strong team — as Jaycees ...

Friends Exploring America,

Ken Zimmerman
66th President
The U.S. Jaycees

The U.S. Jaycees War Memorial Headquarters was built in 1951 at a cost of \$250,000. Capital improvements, including a \$750,000 wing completed in February, 1973, increased the building's value to approximately \$1.4 million.

The Headquarters is an administrative service center for the nation's Jaycees. More than 80 headquarters personnel work together to provide technical assistance and develop programs for almost 7,000 Jaycee chapters in 50 states.

Besides providing office space for the National President and his staff, the headquarters building also contains Graphics and Word Processing Departments, a printing plant, mail order sales operation and a computerized accounting department.
