THE UNITED STATES JAYCEES

1986

1987

A Leadership Training Organization.

UNITED STATES JAYCEES FACTS

- Name:** The United States Jaycees, formerly The United States Junior Chamber of Commerce. The name was changed in 1965 because of the misconception that the organization was affiliated with the U.S. Chamber of Commerce.
- Scope:** Leadership training and personal development for young people ages 18 through 35.
- Membership:** Approximately 5,500 chapters with some 250,000 members nationwide.
- Purpose:** To offer young people the opportunity for personal development and leadership training. Major efforts are directed toward finding solutions to problems specific to their communities.
- History:** The Jaycee movement was begun in St. Louis, Missouri, by Henry Giessenbier on October 13, 1915. His ideas quickly spread, and the national organization was formally created by 29 chapters at the first convention in St. Louis on January 21, 1920.
- Headquarters:** The U.S. Jaycees War Memorial Headquarters is located in Tulsa, Oklahoma, and provides services to chapters and state organizations through some 80 employees.
- Programs:** The U.S. Jaycees offers: Individual Development, Management Development and Community Development; Governmental Affairs; fundraising for Muscular Dystrophy Association and St. Jude Children's Research Hospital; youth programs and family life programs.
- National Events:** Annual Meeting (June), International BB Gun Championships (July), Governmental Affairs Leadership Seminar (Sept.); Healthy American Fitness Leaders Awards (Sept.), the Ten Outstanding Young Americans Awards Congress (Jan.) and the National Outstanding Young Farmer Awards Congress (Feb.).
- President:** Mike Alcorn, Zionsville, Indiana.
- Jaycee Founders' Home:** The Tulsa home of The U.S. Jaycees president during his one-year term of office, which began July 1.

It's time, America — time to make this organization a reflection of its members' commitment to action. In scores of communities nationwide, 250,000 Jaycees work together to do great things. It's up to us to take hold of that community spirit. With it, we will strengthen our foundation as a growing national organization. Beginning now.

It's time to stand up for America. This year, Jaycees will again become known as the "issues people." Jaycees care, and the nation must know it. With our support of the **Wake Up, America** program and other national issues, we will attract new young people while setting the mood for great national improvement.

It's time to be strong. The U.S. Jaycees already are set on a new course of financial integrity. It is up to us — the leaders of this historic movement — to continue that course. With a new emphasis on management and creative thinking, we can set this year apart from all the rest. It will be known as the year when Jaycees took a giant step forward, with the resounding message . . .

It's Time, America . . .

Mike Alcorn

Mike Alcorn
67th President
The U.S. Jaycees

The United States Jaycees War Memorial Headquarters was built in 1951 at a cost of \$250,000. Capital improvements including a \$750,000 wing completed in 1973 and other changes have since increased the building's value to approximately \$3.5 million.

The headquarters administers the effective servicing of some 250,000 Jaycees nationwide. More than 70 individuals work together to provide technical assistance and programming support for 5,500 chapters across the country. The building also houses the office of The U.S. Jaycees president and executive vice president, the chief administrators of the corporation.

THE JAYCEE CREED

We Believe:

That faith in God gives meaning
and purpose to human life;
That the brotherhood of man trans-
cends the sovereignty of nations;
That economic justice can best be
won by free men through free
enterprise;
That government should be of laws
rather than of men;
That earth's great treasure lies in
human personality;
And that service to humanity is the
best work of life.

**©1986, The U.S. Jaycees®, A Leadership
Training Organization**
