THE UNITED STATES JAYCEES

1987

1988

A Leadership Training Organization.

UNITED STATES JAYCEES FACTS

Name: The United States Jaycees, formerly The United States Junior Chamber of Commerce. The name was changed in 1965.

Scope: Leadership training and personal development for men and women ages 21 through 39.

Membership: Approximately 5,500 chapters with some 250,000 members nationwide.

Purpose: To offer young people the opportunity for personal development and leadership training. Major efforts are directed toward finding solutions to problems specific to their communities.

History: The Jaycee movement was begun in St. Louis, Missouri, by Henry Giessenbier on October 13, 1915. His ideas quickly spread, and the national organization was formally created by 29 chapters at the first convention in St. Louis on January 21, 1920.

Headquarters: The U.S. Jaycees War Memorial Headquarters is located in Tulsa, Oklahoma, and provides services to chapters and state organizations through some 80 employees.

Programs: The U.S. Jaycees offers: Individual Development, Management Development and Community Development; Governmental Affairs; fundraising for Muscular Dystrophy Association and St. Jude Children's Research Hospital; youth programs and family life programs.

National Events: Annual Meeting (June), International BB Gun Championships (July), Governmental Affairs Leadership Seminar (Sept.); Healthy American Fitness Leaders Awards (Sept.), the Ten Outstanding Young Americans Awards Congress (Jan.) and the National Outstanding Young Farmer Awards Congress (Feb.).

President: Gary Wilkinson, Meridian, Mississippi

Jaycee Founders' Home: The Tulsa home of The U.S. Jaycees president during his one-year term of office, which began July 1.

The Jaycee tradition is one of outstanding service to America and individual excellence. This year we will face many challenges as we try to build upon this record of achievement.

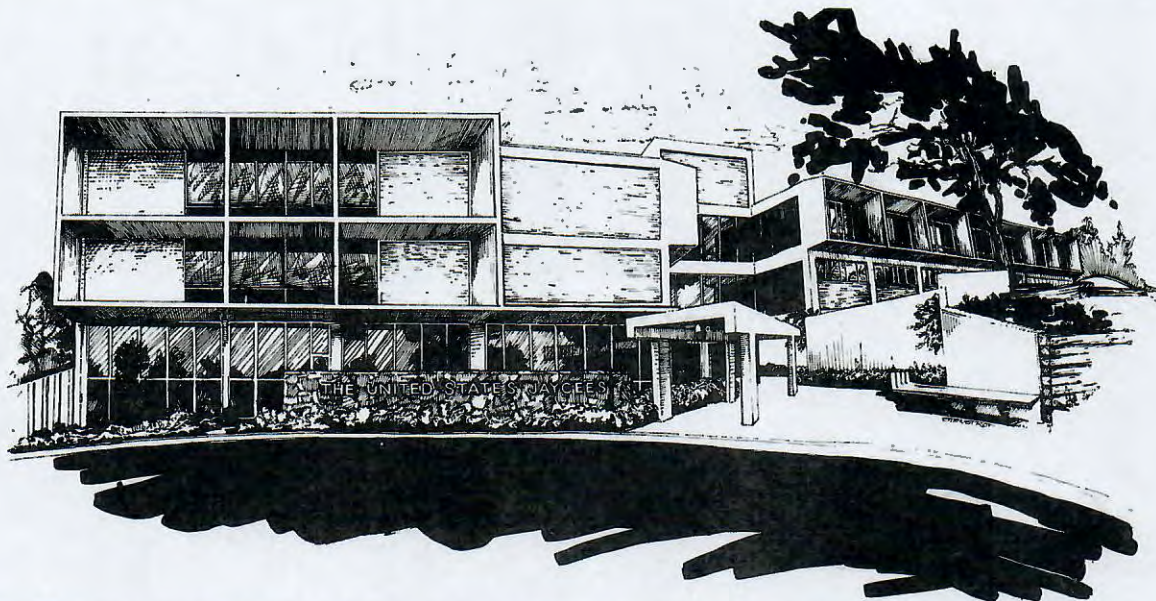

As Jaycee leaders, it is up to you to meet the challenge — but you do not face the challenge alone. We have assembled a strong, capable team. Working together, I am confident that we will reach our goals.

Our goals are high: to continue our growth, to strengthen the movement in every Jaycee community and to leave a mark on America — molding it into a better place for the generations to come. Join me in making our vision a reality.

Success is in your hands. Grasp it, and all that this year offers. Answer the call of America's communities loud and clear...

Yes We Can,

Gary Wilkinson
68th President
The U.S. Jaycees

The United States Jaycees War Memorial Headquarters was built in 1951 at a cost of \$250,000. Capital improvements including a \$750,000 wing completed in 1973 and other changes have since increased the building's value to approximately \$3.5 million.

The headquarters administers the effective servicing of some 250,000 Jaycees nationwide. More than 70 individuals work together to provide technical assistance and programming support for 5,500 chapters across the country. The building also houses the office of The U.S. Jaycees president and executive vice president, the chief administrators of the corporation.
