### REPORT ON THE MARCH 18-20, 2005 DAYTONA BEACH REUNION

It was MATE AND FOUNDER JOHN ARMBRUSTER'S custom to personally write a summary of each Crew Reunion for publication in the issue of THE LOG immediately following the Reunion. MATE GEORGE FRASER II has graciously agreed to summarize the 69th Reunion of THE CREW. His remarks follow:

#### The 69th Reunion Log of THE CREW of The S.S. Fellowship

With the announcement of "Gentlemen start your engines" the 69th Crew Meeting of year 2005, Daytona Beach, got off to a roaring start. Under the leadership of Mate Eric Seidel, Chairman, and his excellent committee, combined with the assistance of committee wives attending, another successful annual meeting of THE CREW brought Together Mates and

their spouses to enjoy the fellowship of the Reunion.

Special credit should be given to Mate Bob Lindholm, Keeper of The Log and host of the Hospitality Suite and his Reunion Crew, consisting of Mates Tom Donnelly, Wayne Field, Bob Goetz, Kim Newlin, Ken and Sharon Miller, Don Antonette, and George C. Fraser II, AND wives attending.

Financial contributions to the Crew Meeting were generous and our thanks go to Platinum Sponsors Servotronics, Inc and eAutoclaims.com Inc, and all the individual Sponsors who participated. With their financial assistance the meeting was a success!

Early arrivals were invited to the U.S. Jaycees Thursday Night Casino Cruise. Registration, handled by Mates Ken and Sharon Miller started Friday morning. Mates and their wives were invited to the evening's traditional "Welcome Aboard" Reception in THE CREW HOSPITALITY SUITE decorated with posters and memorabilia and food - food - food (!) as well as "adult beverages".

Following the Honors Breakfast Saturday Morning, Mate George C. Fraser II moderated the Morning Program. At the Breakfast meeting, Past National President and 69th Reunion chairman, Mate Eric Seidel, welcomed THE CREW to Florida and thanked his committee for their wonderful assistance. Unfortunately, the speaker scheduled, Mate and Honorary Reunion Chairman J.L. McMullen, was unable to attend Due to the sudden hospitalization of his wife Kitty. Mate J.L. joined the Jaycees in 1938 and was President of the Florida JCC from 1942-1943. He later spoke to us by phone during the Sunday Morning Prayer Breakfast.

The morning session was held in a round table fashion, which allowed all the Mates to speak and participate in the program. Mate Bob Lindholm introduced Mate Bob Goetz, Chairman of The US Jaycees Foundation and opened the meeting. Mate Bob Goetz outlined the purpose of the Foundation and the work done with Jaycee archives, sponsoring of Jaycee projects, and the importance of the Jaycees Hall of Leadership. Members of THE CREW were encouraged to continue their contributions to the Foundation. Mate Mike Sawyer was then introduced. He spoke of the importance of donating old Jaycee records and memorabilia to the Archives and Exhibition Hall at Jaycee Headquarters in Tulsa.

The theme of the Morning Session was entitled "I Was There", but moderator Mate George also included the theme "The Way We Were", which was the theme of the USJCC 75th Anniversary meeting in St Louis some years back. In addition to honoring "Pioneers of the Jaycee movement", Jaycees of "The Greatest Generation" were recognized.

Our first speaker was Mate William L. Weiss, who at age 92, was the oldest Mate attending. One of the original members of the St. Louis Junior Chamber (1931), Mate Bill was its Vice President before entering the U.S. Army as a 2nd Lt, serving on active duty from 1941-1946. Mate Bill later served as President of the Jaycees in St. Louis. An attorney all of his life, Colonel Bill Weiss, USAR (JAG) was Judge Advocate General of the St Louis Chapter of the Military Order of The World Wars; and practiced before the Missouri State Supreme Court, the U.S. District Court, Korean Supreme Court (1945), and the U.S. Supreme Court. He was Legal Officer D-4 in Okinawa and Korea. He was also John Armbruster's attorney for many years. This member of the original St Louis chapter participated in the entire meeting and recalled experiences and events long forgotten. This outstanding man and his presence honored us to have been the recipients of Jaycee history at our meeting.

Mate Len Newton also represented the "Greatest Generation" that morning. Len served in the Army Air Corps in China from 1944-1946, flying "The Hump" over India and Burma. Following his service, Mate Len joined the Princeton, N.J. Jaycees and served as local and state

president. During his year as State President, New Jersey extended 25 new chapters, doubled the membership, and led Jew Jersey to march 1st in the Parade of States in 1961. Mate Len is a graduate of MIT's Sloan School and his business has led him to conduct MIT Businessmen's Tours to China, since China opened its doors to the world in 1980. Mate Len and Ruby just returned from a visit to China. The mic was then passed to each attending Crewmember and each told of their Jaycee involvement and the importance it has been in their post Jaycee lives. Other "Greatest Generation" Mates were Mate Hunk Henderson who was to speak that evening, Mate Wayne Field who served in the Army in Burma, modestly commenting that all he did was "climb telephone poles", and Mate Bob Lindholm who flew missions off Iwo Jima as a Navy Air Crewman, later transferring to the Marine Corps and still later retiring from the USMC as a Lt. Col. The stories told were inspirational and made one realize the value of the training and experience gained as a Junior Chamber member.

Among the Mates attending the Reunion were Mate Gordy and Blanche Lowry, Ottawa, Ontario, Canada. Mate Gordy has been a loyal and frequent attendee of U.S. Crew meetings, and we were pleased to have our Canadian friends with us again. Mate Gordy is Past National President, Canada, and he and Blanche drove from Ottawa over 1400 Miles one-way, to be with us. Gordy is also the Canadian President of the "Grey Foxes". He invited all of us to attend the Canadian Crew Meeting in Calgary, May 20-22, 2005.

Five former U.S. Jaycee Presidents, and a Past President of JC International, Bruce Rector attended our Past Presidents Luncheon. The current President of the USJCC, Mate Dr. Julie Metzger and current Junior Chamber International President Kevin Cullinane (Ireland), along with Immediate Past USJCC President Lon Fox, all spoke to THE CREW following lunch. The Past President's Luncheon, now a permanent event at our reunion, was a "Star studded" affair! Friday night we had the honor of hearing an address by Past USJCC President (1952-53) Horace E. (Hunky) Henderson; his topic "The Greatest Generation". A native of Williamsburg, VA, Mate Hunk studied at William and Mary and Yale before entering the Army during WWII. He enlisted as a Private and rose to the rank of Captain, serving from Omaha Beach to Berlin. He organized the Williamsburg Jaycees in 1947 and was later elected President of the Virginia Jaycees, then President of the US Jaycees in 1952. In 1953-54, working on a grant from the Heritage Foundation, Mate Hunk founded Jaycee organizations in 19 countries and was named "Outstanding Jaycee of The World" in 1964. Hunk is presently Chairman of The World Peace Treaty Campaign, and spoke to that subject. He is also the author of three books, and at the end of his remarks, presented Mate Bob Lindholm with an autographed copy of his latest book "The Final Word on War and Peace". He and his wife Vera recently moved back to Virginia (Lynchburg) and he has promised the current President of the Virginia Jaycees that he would restart a Jaycee Chapter in his new hometown. Mate Hunk welcomes the help of any Mate with connections in Lynchburg.

Following the Crew Dinner Saturday night, Mate Bob Goetz arranged to seat THE CREW in the 1st three rows of the Year End Installation Ceremony of the US Jaycees, where Speaker and World President Kevin Cullinane addressed the convention attendees. All Mates who were past USJCC Presidents took part in the Ceremony. A private reception was held later, and THE CREW was invited.

Sunday morning, Program Chairman Mate Tom Donnelly opened the Fellowship/Prayer Breakfast with a prayer, recognizing deceased Mates and other Mates who, because of illness or other commitments, could not be with us this year. Mates Kim Newlin and Bob Lindholm gave Palm

Sunday readings from the Bible, and then Mate Tom introduced our speaker, Sam Gornto, who gave a wonderful and inspirational talk. A former World Champion Surfer and a member of The Surfer's Hall Of Fame, Sam went on to build a very successful Petroleum and Convenience Store business headquartered in Melbourne, FL. A highlight of the program was when Mates Bob Goetz and Kim Newlin got Mate J.L. McMullen on the phone, and through the room's speaker system, Mate J.L. was able to talk to us and make some very special remarks. All in the room gave him a standing ovation when he concluded, and we told him that we had missed him. After that successful connection, Mates Bob and Kim got 100 year old Mate Benson Skelton (President, Tallahassee, FL JCC 1942-43) on the phone, and he told us story after story about the old days. What a special treat to have these two Florida Jaycee Pioneers with us in spirit AND voice! Following the Prayer Breakfast, we stopped by THE CREW Hospitality Suite for a final "Farewell", until we meet again at the 70th Reunion in Myrtle Beach, March 10-12, 2006. This year's Reunion was well organized and well attended, with an inspirational program. Our facilities at The Hilton Hotel were excellent. SEE YOU NEXT YEAR!

Respectfully Submitted, Mate George C. Fraser

## **MUSINGS FROM THE KEEPER OF THE LOG**

**THE FOLLOWING are excerpts from a letter I got from MATE J.L.MCMULLEN'S daughter JILL: "My father was so thrilled he was able to talk to everyone on the phone during the prayer breakfast. My mother was so touched and knew how much he wanted to**

be in Daytona that she cried after he spoke. The next day she suffered another stroke, which affected her left side. She was hospitalized for three days then we brought her home under hospice. Family and close friends surrounded her until she passed away March 30th in her bed holding hands with my father. Continue to keep us in your prayers. Daddy will greatly appreciate words of support. We are setting up KMM Trust for "Kitty's Memorial Garden" to perpetuate her 68 year old exquisitely beautiful heirloom garden she developed from a wooden lot to honor their 7-year-old son who was killed in a tragic accident in 1945. Her garden has been in magazines, newspapers and on T.V. It has inspired and touched the lives of countless people through out the years." **SPEAKING OF THE DAYTONA BEACH REUNION**, thanks to **JAYCEE EMILY STEFANIK** (Rontonda West, FL) for bringing us **MANY** copies of **THE LOG** dating back to 1937. (We don't know from whose collection they came!) Though the Tulsa Archives contain a complete collection of **LOGS**, we are assembling our own set; so if you have **LOGS** dated prior to 1972 and will part with them (we will also welcome copies!), mail them to me. **MATE BILL WEISS** (St Louis, MO), age 92 years young, and **MATE JOHN ARMBRUSTER**'s attorney when **MATE JOHN** was just starting out, was our special guest. He remembered most of the old Mates mentioned in the old **LOGS**. **MATE BRUCE KAISER** (Wilmington, DE), a Past President of the Virginia Jaycees, sent a nice note along with his check for **THE LOG** for \$150. It was good hearing from him! I WAS SADDENED **TIO LEARN** of the passing in April of North Carolina's **MATE BILLY HARRISON**. Long a loyal member of **THE CREW**, **MATE BILLY** will be missed. **MATE KEITH GABRIEL** (Boise, ID), with a check for "History OTC 2004." and a check for **THE LOG**, writes that he was Idaho President 71-72, lost his wife Sharon in 2000, and says "I enjoy getting **THE LOG** as I get reacquainted with many who served during my time span". **MATE JIM NEILSEN** JCI Senator #17823 (Manchester, NH) sent checks for "History..." and **THE LOG**, and in his long letter writes in part "It has been a long time since I've written to members of The Crew", and goes on to say that **MATE RAY ROPER**'S passing reminded him of his service on the HQ staff in Tulsa in the 70's. He is submitting his Bio for "History, 2nd Addendum". **MATE BILL GILTNER** (Mesa, AZ), past president of the Colorado Jaycees 63-64, along with his checks for "History....." and **THE LOG**, wrote "I was sorry to hear of Dick Headlee's passing last year. Colorado was #1 in the Parade of States in 62-63, and tied for #1 (with Louisiana) when I was President the following year. We lost the tie breaker to Charlie Hickman and Louisiana." **MATE RAY** (and Elaine) **CODERRE** (Pawtucket, RI), who attended the Reunion and purchased a "History of The Crew 2004" there, Emailed "Just a short note of thanks for all your hard work. Elaine and I enjoyed every second." **MATE HUNK HENDERSON** (Lynchburg, VA) wrote, enclosing some pictures "Many thanks again for the great time at Daytona. Vera enjoyed her first visit to Florida!". **MATE BOBBY ROGERS** (Panama City Beach, FL), who sent us \$100 with a "Thanks" note, had a surprise triple bypass in March, so we wish him well! **MATE PETE BALDWIN** (Howell, MI) sent an envelope full of late **MATE DICK HEADLEE** newspaper clippings, saying "hope to make the Reunion", but didn't make it. Hope you're OK, **MATE PETE**. **MATE EUGENE PHEIFFER** sent \$50 for **THE LOG** with a long letter, and saying "better get this off promptly before I forget it. Joined Saginaw, MI Jaycees @ age 30 (1951), and State President @ age 35." **MATE TERRY MCCANN** (Dana Point, CA), with a check for \$25 attached, sent a long letter and Bio remarking "I've just received a copy of **THE LOG**. It's the first I've seen in 20 years!" Retired after 26 years as Executive Director of Toastmaster International, he is also hoping to attend a future Reunion. (An example of the GREAT job **MATE KIM NEWLIN** is doing in building back our mailing list) How about Myrtle Beach, SC in March 2006, **MATE TERRY**? **MATE ED RANDLE** (Birmingham, AL) sent another \$100 to support **THE LOG**. He has expanded his business to London, England, and is looking for contacts there. The recent terrorist bombings happened but a few blocks from his London office, but he was unhurt. **MATE BILL SUTTLE** (Chapel Hill, NC) and Mary had planned to come to Daytona 'Beach, but found himself unexpectedly in the middle of some medical tests, so could not. Plan on Myrtle Beach in 2006, **MATE BILL**! **MATE MICHAEL CANNADAY** (Collinsville, VA) sent us a check for \$100 and a letter in which he said "I thought the enclosed might keep **THE LOG** afloat, at least for one more time". PP of the VA Jaycees and USJCC Legal Counsel in

1980-81, MATE MICHAEL "is still at the law game" and says that THE LOG "takes me back to happy days and good friends." MATE KEN HOLVENSTOT (Cedar Rapids, IA) with a check for "History....." wrote "Congratulations to the entire Staff of THE CREW....I hope it will go on forever. I do not travel well anymore, so cannot attend the Reunions." We know you are with us in spirit, MATE KEN! MATE LARRY SIMPSON JCI Sen #7736 (Standish, ME) with his checks for THE LOG and "History.....", a National Vice President 68-69, tells us he is still in Real Estate. MATE BOB GANO (Idyllwild, CA) along with \$50 checks for "History....." and THE LOG said "Regrets that I will not be able to attend the Crew Meeting in Daytona.....one of my old stomping grounds in days of yore!", also wishing us "smooth sailing.". Plan on the 70th Reunion! Former Secy General, JCI 1969-73 MATE JOHN STEINBAUER (Miami, FL) Emailed "Sorry, just can't break loose for this meeting. Please extend greetings to all. Past President MATE ANDY TOBIN (Prescott, AZ), along with his \$100 Suite Co-Sponsor check wrote, in part "Thanks for all your Reunion efforts..wish I could be with you, but my schedule doesn't allow it just now." MATE GREGORY MERRITT (Troy, MI), PP MI Jaycees 1900-81 and National Chaplain the year after, in a letter on his Concorde Financial letterhead and attaching a \$100 check for THE LOG, remarked "just a short note to let you know how much I enjoy receiving THE LOG and keeping informed about the happenings of friends from my Jaycee days". MATE JIM O'CONNELL, 1st President, USJCI Senate (Sheridan, WY), in a long letter, ended it saying "I'm hoping you get a fine attendance at Daytona. I'll be there if my ankle heals". We DID get a fine attendance, MATE JIM! MATE GENE OCHSENFEITER (Ashville, NC) in February, sent his new address and wrote "Have a great meeting and give my best to Hunk Henderson." IT'S NEVER TOO LATE TO MENTION CHRISTMAS, so I want to acknowledge again receiving MATE JOHN CLARK's (Oak Ridge, TN) annual 4 page Christmas letter with a picture of him in the Oak Ridge, TN 2004 Christmas Parade, in his Tennessee Jaycee "uniform", pulling a little wagon with a big bell on it. Author of "A Legacy of Leadership", MATE JOHN is U.S. Junior Chamber Honorary Historian. MATE TERYL BECHTOL (Pensacola Beach, FL) Emailed on July 13 "Hurricane 'Dennis' destroyed my home again, just 5 days after we had moved back into our house, rebuilt after it was destroyed during last years Hurricane 'Ivan'. This is the 3rd time our home has been destroyed in 10 years". MATE DAVID HAXTON (Greensboro, NC), JCI Senator #888, sent MATE TERYL his condolences, as did we. In his Email, MATE DAVID said that he was a friend of MATE JOHN ARMBRUSTER, MATE ANDY MANGANAST was an usher in his wedding, and he was Secretatry General of JCI 1956-1959. MATE WAYNE FIELD (Edina, MN), sent a wonderful, colorful Memorial Day package, again outlining his entry for the stalled "911 Memorial" to be erected in NYC. Maybe we're prejudiced, but we think he should have won! MATE JEFF DAVIS (Gainsville, GA) wrote "I'm going to try my best to get to the next Crew Reunion. Much depends on getting someone to transport me. MATE KIM NEWLIN stopped by for a nice visit a couple of weeks ago." Who of our Mates or their contacts can bring MATE JEFF to Myrtle Beach next March? I was invited, and attended the "formal" announcement of MATE LISA PARRISH'S (Goochland, VA) candidacy for President of the USJaycees. I understand that makes her a shoo-in, so CONGRATULATIONS MATE LISA! Set aside time to speak to us at the Past President's Luncheon in Myrtle Beach in 2006. MATE BUZ SCHULTZ (Fairfax, VA) Emailed me about a surprise 60th Birthday Party planned for MATE DAVE SEROTA (Kalamazoo, MI) on July 23rd. We expect a full report! AS AN "EXTRA" on the set of "Flags Of Our Fathers" Aug 8, during a break in the filming, imagine my surprise when a Marine Lt Gen in dress blues came up to me and said "Hi Bob!" It was MATE WAYNE CODDING (Reston, VA), ALSO an "extra" in the film! MATE BRUCE RECTOR (Lexington, KY) recently launched his new book "Monday Morning Messages: Teaching, Inspiring, and Motivating To Lead." with the help of Jaycee friends around the world. Order a copy for your library. AS I WAS WRAPPING UP this issue of THE LOG, MATE TOM DONNELLY passed along the late word that MATE DERYL SHUSTER had just Emailed him that MATE WAYNE MATLOCK (Andover, KS) had just died of Colon Cancer. Wife Pam and daughters, in lieu of flowers, suggest a donation to the Kansas Jaycee Cerebral Palsy Foundation. I last saw MATE WAYNE at the Omaha Crew Reunion. We will miss him. I KNOW I MUST HAVE
