FALL 2008 ISSUE

The stationery we are using for the first page of this issue of The LOG was furnished by Mate John Ihrig, President of Hi Sage Marketing, Inc. Mate John's Bio is in the 3rd Addendum of the "Blue Book." Mate John was the Chairman for the US Jaycees 1974 Convention held in San Diego, CA and was the Chairman, of the 72nd CREW Reunion just Held in San Diego, CA in Sept 2008. If you would like for us to use your letterhead, mail 1500 sheets of your stationery to Mate Dave Atkin; 1600 Elmore Ave; Columbus, OH 43224. Thank you Mate John.

INTRO BY THE KEEPER OF THE LOG

We just completed a very successful 72nd Annual CREW Reunion in San Diego, CA Sept 26-28. A special Thanks goes to my Chairman, Mate John Ihrig who did a fantastic job and his financial support as well. Also, kudos go to my two Co-Chairmen, Mate Ray Noxxel and Mate Bob Gano for their promotion of this Reunion. A special thanks to Mate Ray Noxxel and his wife Catherine who had us all over on Friday night for the CREW Welcome Aboard Reception at their home. All enjoyed the tour of the USS Midway and the TOYA program on Saturda. And a special thanks goes for Donations made by our Mates Moton Crockett, John Ihrig, Ray Noxxel, Errol Bennet, Joe Knapp, George Fraser, Kim Newlin, Ral Naragon, and Gary Stemper. A good time was had by all reports I have received.

No sooner than the 72nd CREW Reunion was finished, the SS Fellowship had Sunday morning set sail from San Diego, for Crystal River, FL where the 73rd Annual CREW Reunion will be held at The Plantation Inn Golf Resort and Spa March 20-22, 2008 in conjunction of the US Jaycees Annual Year End 2009 Convention. The SS Fellowship may dock early on May 19, 2009 if enough interest is generated in early hospitality for a small charge, see registraion form incl in this issue, which is not included in the regular registration fees.

Since I also keep the Roster, I noticed that we had 25 losses due to deaths of Mates and 20 returned logs which I have been unable to locate and I fear may of which may be deceased and only one nominee. This means that with the automatic members(Mates) of the US Jaycees at the end of their tour of duty Dec 31, 2008, that we had a net loss of 30 members. I have also noticed that from about 1970 on that Fewer and Fewer nominations of Presidents of the Various States have been nominated other than the automatic members who went on to be NVPs where as prior to 1970, over 80% of Past State Presidents were nominated in as members. I encourage each of your to nominate your past State Presidents for membership in the CREW. Procedures to Nominate them or others to the CREW of the SS Fellowship are contained elsewhere in this issue of the LOG

Your continued financial Support is Still needed for the Publication of the LOG. Mate Bobby Roberts has stepped up to the Plate and sponsored one fourth of this issue and with Mate John Ihrig's support of the 72nd CREW Reunion in San Diego, CA gave us enough with the \$600 received by Mates who donated gave us to produce this Issue of the LOG. Contributions are needed for the next issue of the LOG and/or ideas on how to get the \$1200 needed to publish each issue. Details on how to donate and the list of Donors for this Issue of the LOG are listed latter.

The 3rd Addendum to the Blue Book "A History of the CREW 2004" is being mailed out now by Mate Mary Sawyer. Mate Mary who is Co-Keeper of the LOG(Special Projects) has done a fantastic job in putting this addendum together. For those who want to get this addendum and all others, see latter part of this LOG where Mate Mary discusses how to order your Blue Book for a \$50 dollar donation which incudes all addendums and how to submit your Jaycee Bio-Sketch if you haven't done so.

REPORT ON OUR 72ND CREW REUNION IN SAN DIEGO, CA, SEPT 26-28, 2008

The 72nd CREW "California Here I come" was a great success. I want to extend a large thank you for all that attended this years CREW Reunion and my Co-Chairmen, Mate Ray Noxxel who provide Friday night hospitality at his home and Mate Bob Gano and the others that helped me make it a success. I hope that all of you found San Diego's hospitality more that you expected. I feel that the CREW members across the nation could share their Jaycee experiences with their local chapter members. With the hop that it would motivate more young peopled to get the same joy that we all received from this organization. It would be helpful if we could get the e-mail addresses for balance of the member that we don't have would be very useful in communications. Again thank you for letting me Chair the 2008 meeting. Submitted by Mate John Ihrig, Chairman of the 72nd Crew Reunion in San Diego, CA.
