NORMAN C. TANNER
PRESIDENT

Log of the S. S. Fellowship

October 15, 1978

You will note that Norman C. Tanner, President of O. C. Tanner Company, is furnishing our letterhead for this issue of the Log. Norman, we sincerely appreciate your thoughtfulness. Also, many thanks to our mates who have sent in their letterhead for future issues of the Log. We appreciate you!

We received a nice note from Bob Graham of Seattle, Washington expressing his appreciation for the continuation of the Log and requesting an additional copy of the July 15th issue. ✓✓

We received word that Bob Goddard of St. Louis passed away recently and we share in the loss of one of our mates with his family.

Judge Van Pelt sent a contribution to assist in defraying the expenses of the Log and we appreciate very much his thoughtfulness.

We would enjoy receiving corrected addresses for Ed Foote, Milton Zapata, Lamar Buckner, Paul Hawkins, Claude Harrison, Nelson Clark, Frank Stanley III, Paul Andrews, and W. V. Langfitt. Their copies of the Log have been returned to us recently and we do not want them to miss news of their fellow mates.

Several hundred of the mates should remember Early Cass of Tulsa who was host for several years for refreshments and dinner during the July 4 meeting. Early was recently honored at a luncheon by the Tulsa Jaycees during which he was presented an Ambassador award, the highest honor given by The U. S. Jaycees. Six past presidents of the Tulsa Jaycees were there to honor Early. Congratulations, mate!

Milton J. Smith, who is president of Trim Alloys Incorporated, sent us his new address. You can write to Milton at Trim Way, Randolph, Massachusetts 02368. ✓✓

Donald Whitehead informed us that his office has been moved and is now Hotel Enterprises, Inc., 307 Griffing Avenue, P. O. Box 994, Riverhead, New York 11901.

We really appreciate receiving the information that Reed Larson sends for he really gets around! He sends greetings from Sonny Sales of Hong Kong who was World Jaycee President in 1956. Reed enjoyed meeting Sonny at a Rotary Club luncheon in Hong Kong. Sonny's address is A De O Sales & Co., Ltd., Princes Building, Hong Kong. ✓

We received a lovely note and newsletter of the Rotary Club of Cincinnati from Doug Hoge. Doug introduced Walter Wiseman to the Rotary Club and wrote to us "Walt is a member of the Crew and is an excellent speaker. We just had him for the second time in four years." Walt was a native of West Germany and came to the U. S. in 1945. He is a U. S. JCI Senator and served as president of the Industrial Communication Council in 1962. Thanks, Doug and Walt!

✓ ✓ Lou Raskin sent us a long letter and we were delighted to hear from him. The Raskin family has recently moved from Tulsa to Wichita, Kansas where Lou will be in a new position with the Boeing Company. Their new address is 151 South Pinecrest, Wichita, Kansas 67218. He writes "Jaycees continue to show up everywhere! As you would know, my job offer came from a very active former Kansas Jaycee. I would like to recommend Bill Swofford for Crew membership. ? Bill is a former Derby Jaycee president, was elected to the City Commission and served as Vice President of the Kansas Jaycees. He was active in Herb Conyer's campaign for the U. S. Jaycees presidency. He is an outstanding example of the type of quality person our organization develops." Thanks for the letter and the nomination, Lou. We have passed Bill's name on to the Steering Committee.

We received word that Bert Kessler is leaving on a trip with the Metropolitan Toronto Board of Trade to the far east, stopping at such exotic places as Peking, Canton, Shanghai, Hong Kong, Tokyo, Seoul, and Manila. What a wonderful trip! Bert was a former President of the Canadian Junior Chamber of Commerce and worked with Phil Puglsey in those early years.

✓ ✓ Jeff Davis, President of Surfa-Shield Corporation and former U. S. National Vice President and JCI Vice President, wrote to us recently to tell us of his new address: c/o Surfa-Shield, 2827-B Dorr Avenue, Fairfax, Virginia 22031.

✓ ✓ Mates, you can reach Joe Dolan at the Fiscal Policy Council, Inc., successor to the National Dividend Foundation, at 100 East 17th Street, Riviera Beach, Florida 33404. Joe recently departed the U. S. Jaycees Headquarters to continue his career. We also heard from mate and Chairman of the Foundation Board of Trustees, Bob Lindholm. He has a new address in Virginia: P.O. Box 132, Clifton, VA 22024.

The Board of Trustees of the U. S. Jaycees Foundation met recently in Washington, D. C. and it was indeed wonderful to see Roz Rosengren, Allen Whitfield, Chuck Shearer, and Bob Lindholm. All are well and send regards to their fellow Crew members.

This issue of the Log will begin a new "column" of sorts--an Archives report. As you all know, the U. S. Jaycees Foundation has been working very hard with your help to create an Archives and museum of the organization. Last week, with the assistance of former national president, Senator Wendell Ford, James Mahoney of the Smithsonian was in Tulsa to begin plans for the museum aspect of our Archives. His trip went very well and he left the Jaycees as excited as we are about the museum. We will report more in the future, but think about the memorabilia and papers you have that we may need for the museum!

The following Ambruster quote was written by Frank Pyles:

"It is not what we eat that makes us strong, but what we digest; not what we earn but what we save that makes us rich; not what we read but what we remember that makes us learned; now what we profess but what we practice that determines our consequence among men."

Send us your news--your mates want to read of you!
