### Log of the S. S. Fellowship

July 15, 1979

Special thanks goes out to Don Whitehead for supplying us with the letterhead we are using this month. Don't forget that your contribution of 1,000 sheets of letterhead is a vital part of keeping the Log in existence. You can send your contribution to The U.S. Jaycees Foundation, P.O. Box 7, Tulsa, OK 74121.

We have heard from many members of the Crew this month. Arthur King, Duluth, MN, wrote to tell us of the promotion of Chet Lind of Minneapolis, MN, to the position of Acting Chief Executive Officer of Northwest Bancorporation. Chet has been Executive Vice President of this large bank holding company for some time. You might recall that Chet was President of the South Dakota Jaycees several years ago.

Bob Cronk wrote to give a special thanks to fellow Crew member Jerome Farris. Jerry is a Washington State Appeals Judge and has hired Bob's eldest son, Cliff, to do research for the summer. Bob also tells us rumor has it that Jerry is being considered for a federal judgeship. Good luck, Jerry!

Robert M. Harrison of Urbana, IL, has just completed his term as Librarian General of The National Society of the Sons of the American Revolution. Bob reports that they have just purchased a new headquarters building with a library in Louisville, KY.

Crew member Ralph E. Peters, President of Berger Associates, Inc. of Camp Hill, PA, wrote to tell us his vice president of administration and finance, A.D. (Tony) Santeusano, a fellow Crew member, has been named Businessperson of the Year by Future Business Leaders of America Phi Beta Lambda, Inc. and was honored at a reception on July 3rd in New Orleans at their National Leadership Conference. Congratulations, Tony.

Another of our Crew has been honored. Arthur W. King Manor, a congregate living facility in Duluth, MN, has been named in honor of this individual who, for two decades (1948-1968), provided dedicated service as a Commissioner on the Authority Board, and who served as Board Chairman for thirteen years. This is truly a great honor for Arthur.

Congratulations are also in order for Tom Lane, Rapid City, SD, who has recently been elected President of the South Dakota Chamber of Commerce.

Don Eldridge, Olympia, WA, has resigned from the Washington State Liquor Control Board as of May 31. Don, who has served on the board since 1970, had stayed on four and one-half months past the usual nine year term at the request of Governor Ray. Don was Washington State Jaycee President, 1948-49, and U.S. Jaycee Vice President, 1950-51.

July 15, 1979

Lin Law, Buffalo, NY, was excited to tell us of the visit he had with Roz Rosengren during Roz's recent travellings in the East. Roz has been taking it easy the past few weeks, however, after a fall left him with some cracked ribs.

Our heartfelt condolences go out to Mrs. Ellsworth Green of Kansas City, KS, who recently reported to us the death of Ellsworth on May 14. As you may have known, Ellsworth had been in failing health for several years.

News of the South Carolina "Mini Crew" last month has brought in news of another. Frank Vanderlip tells us that Sidney Tobias of New York City has, for the last 20 years, arranged a luncheon at the New York University Club for the New York City Crew. There were about 20 present last May, including Toby, Frank, Bob Condon, John Van Siclen and Bill Exton. Toby was chairman of the board of the New York City Junior Board of Trade in the late 1930's; this organization later became the New York Jaycees.

Bill Exton, who offers intensive In-House Seminar/Workshops to help individual companies analyze needs and plan and implement Cost-Effective Error-Reduction programs, will be taking his Seminar/Workshop to Osaka, Japan next October. This program has already been given in New York City several times, Boston, Salt Lake City and Athens, Greece.

Nominations to the Crew this month include one from David Tiffany, Rapid City, SD. He asks that we take on board Winfield McCain, Box 56 G, Hill City, SD 57745. Win was South Dakota State Jaycee President, 1947-48. Larry Olson, Moline, IL, also asks that we take on board Leo W. Briere, 1437 Mather Drive, Rantoul, IL 61866. Leo has been very active in the Jaycees in Rantoul and has been the President of the Illinois JCI Senate.

Twenty-five dollar contributions were received this month from Elmer Luzius and Arthur King. This money will go toward the printing and mailing of the Log. If you would like to send in a contribution, please mail it to the Foundation Office.

The following people did not receive their Logs last month due to incorrect addresses. If you should know the whereabouts of these Crew members, please notify us so that we may correct our mailing list. Brooks Murphy, Cheney, WA; Dr. Merritt Pederson, Lincoln, NE; Gerald Moore, Minneapolis, MN; Walt Szczerban, Wilmington, DE; Ralph Murphy, Silver Springs, MD; Rolland Fisher, Detroit, MI; Bob Goddard, St. Louis, MO; Harry Weldon, Ontario, Canada; Jeff Davis, Fairfax, VA.

We continue to depend on you for the news items in our Log. If you have some news you'd like to share about yourself or a fellow Crew member, please let us hear from you.

John Armbruster wrote in the July, 1972, Log: I don't know of any group that is so dedicated to America and its ideals ... and so on the 4th of July (as he was writing part of the Log) I thought of the words of Herbert Hoover, who wrote:

"The meaning of our word America flows from one pure source. Within the soul of America is the freedom of mind and spirit in man. Here alone are the open windows through which pours the sunlight of all the human spirit. Here alone human dignity is not a dream but a major accomplishment."

The Keeper of the Log
