Have you reserved a place for yourself at the 1987 Crew Meeting? Hotel and Meeting Registration forms are included in this issue. Mate Chairman Bill Suttle agrees that all will have a great time!

Mate J.D. MYERS (700 Williams Blvd., Springfield, Illinois 62704) recently sent news about his brother and past Jaycee, MANUEL MYERS. MANUEL died recently in The Elks National Home in Bedford, Virginia. He was past 89 years old and he, along with J.D., were some of our Jaycee founding fathers from 1922. Our sympathies to MANUEL's loved ones and friends. Be sure to remember J.D. MYERS on his 89th birthday this coming December 10, 1987!!

He began his duties as International Secretary of Kiwanis, International the beginning of March. Good luck, Mate KEVIN, MARYBETH and daughter, STEPHANIE!

Special thanks to Mate GARY HOGUE for his thoughtful efforts on behalf of Mate PHIL NELSON. We had printed our most current address for PHIL NELSON as General Delivery, Moorhead, Iowa and while visiting the area, Mate GARY stopped in on the Postmistress in that town. As suspected, Mate PHIL was not a current or past resident of the town and more investigation suggests that it may be Moorhead, North Carolina, Minnesota or Kentucky. Do you know a current address for Mate PHIL NELSON. Thanks for your devotion to your Crew Mates, GARY.

CECE HILL, wife of Mate GARY HILL (Contact Center, Inc., P.O. Box 81826, Lincoln, Nebraska 68501) writes to us with the exciting news about a story printed in the December, 1986 issue of Reader's Digest. She enclosed a reprint of the article which she says, "told 'a smattering' of Gary's activities, all of which result from his having joined the local Jaycees way back when (1963)." The wonderful article presents the work GARY has done for those in need—of almost any kind! So far, Contact with its network of caring people, has helped a quarter of a million people. We suggest you read the story "Contact for Those in Need" by Patricia Skalka about Mate GARY, his wife CECE and the wonderful work they are doing all over this country.

Mate BARRY KENNEDY, Past National President and JCI World President, (625 G. Street, Pawnee City, Nebraska 68420) has now accepted a position with the Nebraska Association of Commerce and Industry. He started on February 2 as Vice-President of Member Services and is very excited to be working with an association that believes in and lobbies for the free enterprise system. Mate JACK SWARTZ (Nebraska Association of Commerce and Industry, P.O. Box 95128, Lincoln, Nebraska 68509), originally from Kansas, is the President and Chief Executive Officer of NACI. "JACK is a highly respected association executive and I look forward to learning a great deal with Jack to work with," says Barry. "We share a great deal with out Jaycee backgrounds as do many members of NACI." NACI is a consolidation of the Nebraska State Chamber of Commerce and Associated Industries of Nebraska. Congratulations, BARRY!

Mate AMELITO R. MUTUC (51 Tamarind Road, Forbes Park, Makati Rizal, Philippines) writes to us about two Mates who have already contacted him as a result of his previous entry to "The Log" last month. He plans to attend Annual Meeting in Reno, Nevada and is looking forward to seeing everyone there. Mate AMELITO says, "...I felt very glad that indeed the bond that ties each and everyone of us can always be stimulated and stirred when such things happen." See you at Reno!

Mate SUMPTER T. PRIDDY, JR. (%Virginia Retail Merchants, 117 Fairway Lane, Ashland, Virginia 23005) writes, "Fourteen years ago RICHARD H.C. (DICKIE) TAYLOR (P.O. Box 22, Hanover, Virginia 23069) and others organized an evening of social activity for members of the business and legislative communities who were active in Jaycee affairs. Each year about the first week in February, we sponsor a reception known as the 'Burgesses and Bureaucrats Bash' to which members of our state legislature are invited. The Bureaucrats host the event by subscription. The event is well-attended and the social discourse is great! Last year the Virginia JCI Senate established an annual achievement award. The 1987 recognition went to our long-time friend and 'Mr. Virginia Jaycee,' THOMAS WOOD BALDRIDGE. TOM was unable to be on hand but the attendees were in awe as TOM'S many accomplishments were articulated to the gathering." Other Crew Members who helped to sponsor the event were:

As I review the accomplishments of our Crew, I am reminded of the words of
Theodore Roosevelt, who said,

"The best prize life has to offer is the chance to work hard
at work worth doing."
